

Pioneering the Present. Previewing the Future

*Unlocking the AI Journey
in healthcare*

18/06/2025

2 pm to 5:30 pm

*Auditorium. Central Building.
Vall d'Hebron Research Institute*

Programme

12:00 – 13:00 h

Workshops

Directed to VHIR researchers and staff

Digital Ecosystems for AI in Research Institutions – HPE

13:00 – 14:00 h

Lunch for the Workshop Attendants

14:00 – 14:30 h

Institutional Welcome

Opening and Welcome

Dr. Anna Santamaria (Internal Strategy Director at VHIR)

VHIR's AI vision and strategy:

The CORE-Ai, data, Imaging & Digital Health

Dr. Raul Herance (CORE Coordinator)

Digital Transformation at VHIR

Dr. Joan Carles Peiró (Digital Transformation Director VHIR)

14.30-15.20 h

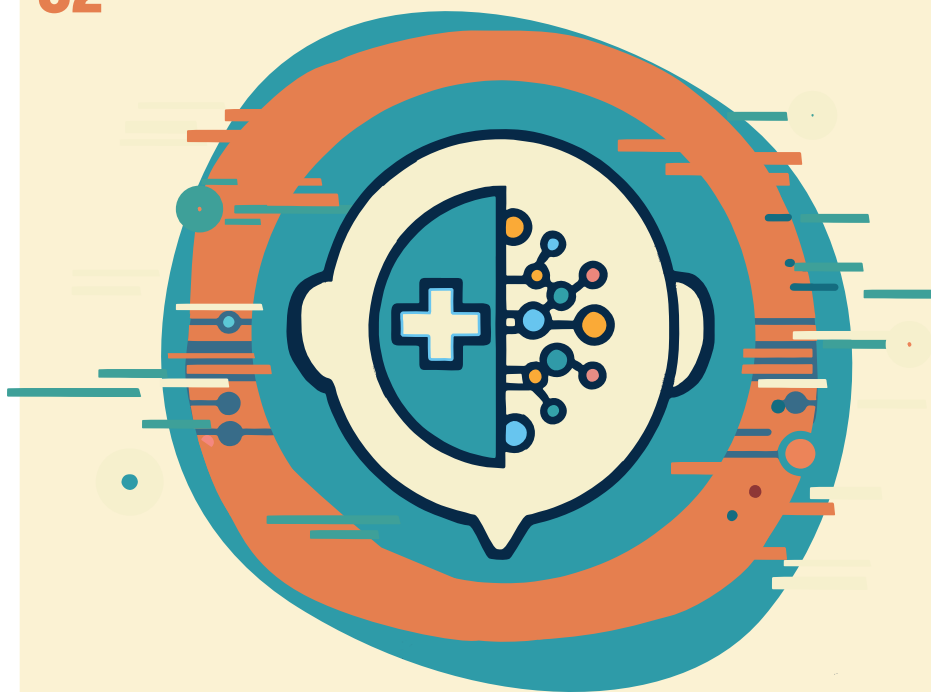

The Present: AI is here to stay

Scientific Success Stories

Dr. Andrea Guala (Principle Investigator at Cardiovascular Diseases VHIR)

Dr. Hubert Bretonnière (Cancer Computational Biology VHIO)

Dr. Fátima Sánchez (Head of Bioinformatics Unit CNIC)

Pioneering the Present. Previewing the Future

*Unlocking the AI Journey
in healthcare*

18/06/2025

2 pm to 5:30 pm

*Auditorium. Central Building.
Vall d'Hebron Research Institute*

15:20- 15:40 h

Coffee Break: Networking and Posters

15:40- 16:35 h

The Future: The Disruptive Power of AI in Biomedical Research

Keynote

Dr. Karim Lekadir (Director of the AI in Medicine Lab UB)

Lighthouses:

Jordi Paillissé (Technical Coordinator UPCxels)

Dr. Martin Krallinger (Leading Researcher at NLP for Biomedical Information Analysis BSC)

16:35 - 17:20 h

The Journey: multistakeholder roundtable

Moderator:

Dr. Carmen Tur (Principle Investigator at Clinical Neuroimmunology VHIR)

Andrea Barbiero (Digital Health & Social Innovation Senior Researcher & Consultant)
